TASTING NOTES:
Sun Bee evokes warm summer days by infusing natural mango flavors into a blend of California white wines. A strong golden color in the glass leads to a vibrant mango and tropical fruit basket on the nose. The taste is reminiscent of a puree of mango or a juicy, fruity Chardonnay. There are hints of Lychee and Passion Fruit rounding out the bright, inviting flavor.

This 707 Cabernet Sauvignon is a stunning example of the high quality Cabernet Sauvignon grapes that are grown right here in Sonoma County. This wine is a wonderful expression of a world-class Cabernet Sauvignon.

TASTING NOTES:
This Cabernet is a dark ruby color in the glass. There is an array of aromas that include cinnamon, dusty wood, blueberry, clove and a hint of dry pine. The smooth yet complex flavors encompass attractive black currants, cola, blackberries and dried herbs. The nicely balanced tannins help carry the finish out with pleasantly dense black fruit components. A classic Cabernet Sauvignon with elegant depth and style.

707 Sonoma County Chardonnay

This aromatic Chardonnay comes from Sonoma County. We have showcased different Chardonnay styles for the 707, but one of the most successful versions have been the larger style of oaked wines. This 707 warm-weather Chardonnay is exemplary of that style with its intense fruit and full body structure. This delectable Chardonnay shows off excellent mouth-feel and creamy richness.

TASTING NOTES:

The 707 Chardonnay is a honeyed, golden-yellow color. The aromas are reminiscent of ripe peaches, vanilla bean, and pineapples. The layered flavors are smooth and silky, with intricate textures to include tropical fruits and baked pears. The wine has a well-balanced acidity that makes the flavors bright and lively, yet also rich with vanilla-laced oak tones with a hint of butterscotch. The finish is creamy and lush, with some stone fruits present such as green apples and apricots.

FOOD PAIRINGS:

Our food pairing suggestions would include: lobster risotto, watercress and crab salad, broccoli chicken fettuccini or a pumpkin ravioli bisque.

707 Sonoma County Pinot Noir

The Pinot Noir grapes for this wine came from the Sonoma County appellation near the hamlet of Occidental. This area is known for sharing the coastal fog with grape vineyards and Giant Sequoias. The grapes for the 707 Pinot Noir are grown in a valley basin where they are cooled each night by the ocean.

TASTING NOTES:

Shows an interesting bouquet of toasted oak aromas with lots of sweet woods and plum. There is nice cedar throughout that complements the sublime earthiness. The fruit components of plum and juicy black cherry are well-balanced and overall present a medium-bodied mouth feel. There is a pleasant hint of cigar box in the long and languid finish.

FOOD PAIRINGS:

Pinot Noir is extremely versatile when it comes to meal selections. Its earthiness brings to the forefront mushroom-based elements such as grilled portobello mushrooms. This also pairs with roasted duck breast, garlic prime rib, grilled salmon, or even a simple falafel.

707 Sonoma County Rosé of Pinot Noir

TASTING NOTES:

The 707 Rosé is a unique, artistic representation of an alternate usage for Pinot Noir grapes. The color has a pretty pinkish hue with an abundance of rose petals and floral aromas. The fresh and bold flavors take this dainty wine in a different, almost earthy direction. A very pleasant tasting wine with hints of raspberries and plums, peaches and pears; all the while remaining quite lovely and sophisticated. The finish is long, juicy and lingering. A beautiful style of Rosé that would inspire even the most discriminating wine lover.

FOOD PAIRINGS:

Our food pairing suggestions would include a ham and leek Quiche, a cheese board with seasonal figs or a flatbread with arugula and mushrooms.

707 Sonoma Valley Sauvignon Blanc

TASTING NOTES:

A very fragrant Sauvignon Blanc that is chock full of tube-rose and other tropical flowers with citrus aroma as wwell. The fresh, invigorating flavors show hints of cantaloupe, jazzy grapefruit, guava, with more citrus and lots of limes. This bright wine has a well-balanced acidity that is light bodied, with a pleasant sweet fruit finish that would show off shellfish simply divinely. We like to call the 707 Sauvignon Blanc our summer sun in the bottle.

FOOD PAIRINGS:

The refreshing 707 Sauvignon Blanc would pair nicely with freshly prepared shellfish like oys-ters on the half shell, shrimp cocktail, cracked crab, ceviche or lighter style luncheon salads.

Sonoma County Red Blend
Aged in Rye Whiskey Barrels

TASTING NOTES:

The Rye whiskey aromas are uniquely subtle and meld the silky, dense-fruit Syrah with hints of cigar box and fresh leaf tobacco. The intensely dusty black fruit flavors have a warm intermingling of the Rye whiskey flavors. There are deliciously chewy, silky black fruits with intense blackberry and raspberry jam highlights. A perfect combination of aromas and flavors intertwine. It invokes a pleasantly pipe smoke-filled room with old classic novels lying about.

FOOD PAIRINGS:

Pair Protest with bold foods: creamy and salty cheese board with tart fruit and nuts, spinach with tart fruits, beet carpaccio, lamb stew, smoked salmon, duck, venison, or desserts like a pear tart or dark chocolate.
